Nancy Whittenburg (2,687 YES/941 NO); David A. Lester (2,642 YES/951 NO)	

The supervisors reviewed procedures and results of the first post-Election audit conducted per regulations in HF516. A five-member board consisting of poll workers and absentee board members met at the Cherokee County Courthouse on Friday, November 9, 2018, to verify

the votes cast at the Cherokee Ward 2 Precinct during the November 6, 2018, General Election. Observers from the public, as well as the County Auditor and Elections Staff, were also in attendance. The audit team hand counted the votes cast for the office of Governor/Lt. Governor on the 316 ballots cast at the Ward 2 polling site on Election day. The team's hand counted results were then compared to those reported by the ballot tabulator results tape generated at the polls on Election night and found the results matched exactly. Extensive testing of the ballot tabulators is conducted by the Auditor's Office in advance of every Election to assure that the tabulators are accurately recording the votes from the paper ballots.

Motion by Simonsen, seconded by Lundquist to certify the 2018 General Election Post-Election Audit results of the hand count of 316 ballots cast in the Cherokee Ward 2 Precinct for the office of Governor/Lt. Governor; which exactly matched the results tape of the ballot tabulating machine on Election day. Motion carried.

Bill Anderson, CAEDC Director, and Brian Freed presented an overview of successful economic development projects over the last year. Anderson thanked the supervisors for their continued support, stating that he wants to build on his relationship with county supervisors and staff to keep Cherokee County moving in a positive direction. Freed added that the success CAEDC is having boils down to the day the Board of Supervisors voted to fully fund economic development. Both Anderson and Freed offered a big thank you to the supervisors for putting Cherokee County on the map as a business-friendly community that has opportunities for expansion and growth. Anderson summarized the future challenges of CAEDC and reported that the focus for the next year will be on housing, day care and developing a skilled workforce to coincide with new jobs becoming available.

Motion by Lundquist, seconded by Mummert to approve ISG Field Services Invoice #C1423 for submission to Dakota Access Pipeline for payment of inspection services provided from September 30, 2018, through October 27, 2018. Motion carried.

A written resignation from Brandon Billings, County Engineer, was reviewed. Discussion was tabled until terms of Billings' current employment contract can be clarified.

Motion by Lundquist, seconded by Mummert to approve publication of a notice seeking bids for snow removal for the courthouse block and employee parking lots. Motion carried.

The supervisors provided committee reports and reviewed meeting schedules.

There being no further business, Chairman Mongan adjourned the meeting at 2:14 p.m.

All board agendas and minutes are available online at www.cherokeecountyiowa.com.

Attest: Rick Mongan, Chairman
Kris Glienke, County Auditor
